 Summary: "I literally have NO WORDS to describe how amazing this book is! On a scale of 1-10 I give this workbook a 10!. The workbook is actually FUN. There are a few exercises that my son considers "work" but most of the pages he actually enjoys doing. Not too many kids actually ENJOY doing extra school work. That is because the activities are FUN and our son doesn't realize that while he's having fun he's also learning and reinforcing what he's learned." "[My son] Vinze began using the workbook about a month ago. It is very easy to use and I have been pleasantly surprised to see that he is putting his new found skills to use! His punctuation has already improved and his spelling is coming along quite nicely in only one month!" "As a teacher, I look for different aspects in a resource than a student or a parent might. The book has vibrant, attractive colors and the worksheets are really fun. My 10 year old son has been enjoying them since I got the book. I recommend this book to students, parents, and teachers..."
