Reviews

Extremely helpful for all class of folks. I really could comprehend almost everything using this written e publication. You will not feel monotony at at any time of the time (that's what catalogs are for about in the event you check with me).

(Prof. Melyna Dooley V)

AFRICAN CIVET

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - The African Civet is a common viverrid native to tropical Africa. Unlike many other members of the family, which resemble cats, the African Civet resembles a short dog-like animal. Its coarse coat varies but is usually an ornate pattern of black and white contrasting bands and blotches, with a white face mask and black eye patches and a pale muzzle. Like all civets it has perianal glands that produce a fluid known as civetone, which it spreads on markers in its territory to claim its range. 312 pp. Englisch.
