Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

Penguin Books, United States, 2015. Paperback. Book Condition: New. Reprint. 203 x 135 mm. Language: English . Brand New Book. An electrifying memoir about a young woman s self-destructive spiral after being cast out by her ultra-Orthodox Jewish family In the vein of Prozac Nation and Girl, Interrupted, this brutally honest memoir tells the story of one woman s struggle to define herself as an individual. Leah Vincent was born into the Yeshivish community, an ultra-Orthodox Jewish sect that shuns the modern world. When, at sixteen, Leah was caught exchanging letters with a boy breaking a religious ban on contact between the sexes her family cut all ties. Sent to live on her own in New York City, adrift and unprepared for the freedoms of secular life, Leah s desperate loneliness coupled with her stubborn loyalty to the dogma of her past pulled her into a vicious cycle of promiscuity and self-harm. It took a shocking state of despair to empower her to transform a life of tragedy into a tale of unexpected triumph, one that illuminates both the oppressive world of religious fundamentalism and the broader issues facing young women from all backgrounds as they grapple with sexuality and identity.
