Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.When we think of the Last Supper and art, we often think immediately of Leonardo da Vinci. But the Last Supper has actually been the subject of paintings by artists for many centuries. Here is a collection of more than three dozen versions of the Last Supper - many by well-known artists (such as Peter Paul Rubens and, of course, Leonardo da Vinci), and many by lesser-known artists. As with the other books in the Enjoying Great Art series, this book is a pictorial journey for adults and students of all ages. Words are kept to a minimum - with an introduction to the book, and then artists and dates for each painting. For more details on Leonardo s famous version, you may also be interested in Catherine s Exploring Da Vinci s Last Supper.
