Cengage Learning, Inc. Mixed media product. Book Condition: new. BRAND NEW, Macroeconomics (International ed of 11th revised ed), Roger A. Arnold, The economy is tough - but economics doesn't have to be! Let Roger Arnold's Macroeconomics, 11e, International Edition open up the world of economic analysis for your students. With more detailed coverage of the financial and economic crisis than any other principles text on the market, fun and innovative pedagogy, easy customization, and fully integrated digital and course management options, Macroeconomics, 11e, International Edition is the perfect solution for any classroom. Ideal for self-study or for online courses, the complete video assets available with Macroeconomics, 11e, International Edition provide even greater flexibility for instructors. The eleventh edition is integrated with powerful resources, such as Aplia, CengageNOW, and Cengage's CourseMate for Macroeconomics, which provide unsurpassed planning and management tools, like homework that is automatically assigned, graded, and recorded online, or tracking of students' time spent with online resources. With new content reflecting a changing economy and new resources addressing the needs of a...
