Fish and Wildlife Service, 2001 OCLC Number: (OCoLC)52605097 Subject: Bayou Cocodrie National Wildlife Refuge (La.) Excerpt: . . . Section B Chapter II Environmental Assessment An interim compatibility determination is one which assesses the compatibility of an activity during the period of time the Service first acquires a parcel of land to the time a formal, long-term management plan for that parcel is prepared and adopted. The Service has completed an interim compatibility determination for the six priority general public uses of the system as listed in the National Wildlife Refuge System Improvement Act. These uses are hunting, fishing, wildlife observation, wildlife photography, and environmental education and interpretation. Other Management All management activities that could affect natural resources, including subsurface mineral reservations, utility lines and easements, soil, water, and air, and historical and archaeological resources will be managed to comply with all laws and regulations. The Service has a legal responsibility to consider the effects its actions have on cultural resources. Under all alternatives, the Service will manage these resources in accordance with public law and agency policy. Individual projects will require additional consultation with the Advisory Council on Historic Preservation, and the State of Louisiana Historic Preservation Office. Additional consultation, surveys, and clearance will be required where project development is conducted on the refuge or when activities will affect properties eligible for the National Register of Historic Places. Special Management Areas A 750-acre old growth tract in the Brooks Brake Management Unit would be managed as a Research Natural Area. Guidance for management would derive from the Fish and Wildlife Service Manual (Figure 22). Land Acquisition The acquisition of larger contiguous forest tracts adjacent...
