Alhamra, 2003. Soft cover. Book Condition: New. The Shore and the Wave, a novel by one of Pakistans leading writers, presents a vivid picture of the marital and social entanglements of middle-class India. Farkhundnagar, the city in which the story develops, is in fact Hyderabad, capital of the large princely state in central India which survived under the aegis of the paramount British power until 1947, and maintained a precarious existence until in 1956 it disappeared as a separate entity in the redrawing of Indias internal political boundaries on linguistic lines. Aziz Ahmad at the time when The Shore and the Wave was written, had spent most of his life there. In the second chapter he speaks of the three tides of westernization that had swept over it, and the novel describes the impact upon the educated, well to-do sections of Hyderabad society of the third tide in the period up to the eve of independence. The present English version was done by Ralph Russell with the authors close cooperation and embodies revisions which he wished to make. Aziz Ahmad was born in 1914 and spent most of the first half of his life in Hyderabad, capital of the former princely state in central India to which most of the characters in The Shore and the Wave belong. He was educated in Hyderabad and London, and taught in the Universities of Osmania (Hyderabad), London, and California at Los Angeles. He was also Professor of Islamic Studies in the University of Toronto. He wrote a number of books on Indian Islam, on which he was considered one of the foremost authorities; but long before he entered that field, he had won literary fame in India and Pakistan as one of the leading Urdu novelists. Ralph Russell was born in 1918, read...
