Then we heard the footsteps again! .I ran until I heard her scream, and then a big thud hit the ground! .I thought I was going fast, when something jumped out and threw me across the bushes. I remember screaming at the top of my lungs! That s when I felt it, the blade or what seemed like a blade, tore at my cheek. I could feel the hot thick blood run down my face. Good looking, yet insecure seventeen-year-old Johnny gets moved from his comfortable hometown and school, because his parents think he is involved in the wrong crowd. Little do his parents know they may have made the worst mistake of their lives! While Johnny tries to make friends and search for a girlfriend, he is being severely tormented. When he is not sure if the sudden deaths in the new town are from a possible altering personality he may possess or if they are happening from some other chilling entity, he discovers help needs to come from a higher, more powerful being.
