Reviews

A superior quality publication and the font utilized was intriguing to read. I could comprehend every little thing using this composed e publication. You will like the way the author compose this publication.

(Mr. Demario Trantow)

SEE THE SEA!: A BOOK ABOUT COLORS

Reader s Digest Children s Books, United States, 2004. Board book. Book Condition: New. Michael Terry (illustrator). 201 x 161 mm. Language: English . Brand New Book. A pair of crazy eyeballs built into this boldly illustrated hardbound book jiggle and wiggle from page to page. Kids will have fun seeing the sea and learning colors as they read about various zany big-eyed underwater creatures. Kids can learn about colors and various underwater sea creatures as they make friends with such whimsical characters at Clark T. Shark, Winona Whale, Wally Fuss and others, in this entertaining board book. What s more, they ll laugh out loud at the faces staring back at them when they shake these characters rolling googly eyes.
