THE CHILD AND OTHER ANIMAL STORIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This traditional and utterly charming collection of short stories is a must-read for adults and children who have a combined love for nature and animals. The author draws on the many aspects of rural life (from the laws of the countryside to farming) to create an insight into the warm and unconditional relationships we have with animals, and the close bond they have with each other. The Child delves into that wonderfully unique relationship between children and their pets, which often span a whole childhood. And if you re looking for mischief, look no further than The Terrier . Full of character, humour and loyalty towards his owners, this colourful short story uncovers the traits of this fascinating working dog (which sometimes have tragic and brutal consequences) and enables you to experience the sheer joy a dog can bring to a loving family. The further exciting and imaginative stories, The Fox , The Filly and The Cow and each offer an entertaining snapshot of rural life and human nature. With twists in the tale, a heartwarming union between a young racehorse and a disadvantaged girl and the reality of being a cow on a dairy farm, there is so much packed into this entertaining book that you will have to read it at least twice.
