Language: English Brand New Book ***** Print on Demand *****.Excerpt from Life in Spain, Vol. 1 of 2: Past and Present Photography is gradually forcing painters to greater care in drawing and more loving attention to detail. It is also, I think, making travellers more accurate and painstaking. Whether the new art has had any effect on me, I know not: but I hope so; for I tried on the spot for local colour and vividness, where vividness could be given without hazarding truth. To throw indigo into the sea, or to smear a cheek with carmine, never gave me pleasure, if I merely imagined the colours and had not seen them. It is the same with feeling as with colour. These notes were taken (I assure you, dear reader) on cigarette paper, and written with ink made of orange juice and Spanish liquorice.
