Bottom of the Hill Publishing, United States, 2011. Paperback. Book Condition: New. 312 x 312 mm. Language: English . Brand New Book ***** Print on Demand *****. There is grave reason to believe that much Bible reading and Bible study has been of no spiritual profit to those who engaged in it. We greatly fear that in many instances it has proved a curse rather than a blessing. This is strong language, we are well aware, yet no stronger than the case calls for. Divine gifts may be misused, and Divine mercies abused. That this has been so in the present instance is evident by the fruits produced. Even the natural man may take up the study of the Scriptures with the same enthusiasm and pleasure as he might of the sciences. Where this is the case, his store of knowledge is increased, and so also is his pride. Like a chemist engaged in making interesting experiments, the intellectual searcher of the Word is quite elated when he makes some discovery in it; but the joy of the latter is no more spiritual than would be that of the former. Again, just as the successes of the chemist generally increase his sense of self-importance and cause him to look with disdain upon others more ignorant than himself, so alas, is it often the case with those who have investigated Bible numerics, typology, prophecy and other such subjects. Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father s patient admonitions from Scripture. It...
