These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

We have also investigated the systems of several other States in which we had reason to believe progress has been made in the solution of problems similar to those with which we have to deal. The views and suggestions have been sought of those who had a prominent part in the framing of recent advanced taxing legislation, as well as of those officials who have been charged with the duty of putting these new laws into operation. The Commission visited the city of Pittsburgh, for the purpose of ascertaining at first hand the effects of the graded tax, as applied to buildings in that city and in Scranton, under the law passed a few years ago by the Legislature of Pennsylvania. We have had numerous meetings and conferences, at which there has been full consideration of the data and information collated by the Commission, and the freest discussion of the taxing problem in all of its chief phases. Varied points of view have been represented at these conferences, and an earnest effort has been made to reconcile conflicting opinions, with...
