## THE APES OF WRATH

DOWNLOAD

Tachyon Publications. Paperback. Book Condition: new. BRAND NEW, The Apes of Wrath, Richard Klaw, Rupert Wyatt, In the Rue Morgue, the jungles of Tarzan, the fables of Aesop, and outer space, the apes in these seventeen fantastic tales boldly go where humans dare not. With a foreword from the director of Rise of the Planet of the Apes, this provocative anthology delves into our cultural fascination with - and dread of - our simian cousins. These classic stories explore the lighter and darker sides of apes, mirroring our own deepest desires and anxieties. "Evil Robot Monkey" introduces a disgruntled chimp implanted with a chip that makes him cleverer than both his cohort and humans alike. In "Murders in the Rue Morgue," a murder mystery unravels with the discovery of a hair that does not appear quite human. Merging steampunk with slapstick, "The Ape-Box Affair" has a not-so-ordinary orangutan landing on Earth in a spherical flying ship--where he is promptly mistaken for an alien. King Kong sets a terrible example with booze and Barbie dolls in "Godzilla's 12-Step Program." If you've ever wondered what makes humans different from apes, soon you'll be asking yourself, is it less than we think?.
