

The Country Blues

Filesize: 5.8 MB

Reviews

A fresh e-book with a brand new point of view. It really is packed with knowledge and wisdom Its been designed in an exceedingly simple way and is particularly simply following i finished reading this publication through which actually modified me, alter the way i really believe.

(Bernhard Russel)

THE COUNTRY BLUES

Da Capo Press. Paperback. Book Condition: New. Paperback. 314 pages. Dimensions: 8.3in. x 5.8in. x 0.9in. From the field cries and work chants of Southern Negroes emerged a rich and vital music called the country blues, an intensely personal expression of the pains and pleasures of black life. This music--recorded during the twenties by men like Blind Lemon Jefferson, Big Bill Broonzy, and Robert Johnson--had all but disappeared from memory until the folk music revival of the late 1950s created a new and appreciable audience for the country blues. One of the pioneering studies of this unjustly-neglected music was Sam Charters *The Country Blues*. In it, Charters recreates the special world of the country bluesman--that lone black performer accompanying himself on the acoustic guitar, his music a rich reflection of his own emotional life. Virtually rewriting the history of the blues, Charters reconstructs its evolution and dissemination, from the first tentative soundings on the Mississippi Delta through the emergence, with Elvis Presley, of rock and roll. His carefully-researched biographies of near-legendary performers like Lonnie Johnson, Blind Boy Fuller, and Tampa Red--coupled with his perceptive discussions of their recordings--pay tribute to a kind of artistry that will never be seen or heard again. And his portraits of the still-strumming Sonny Terry, Brownie McGhee, Muddy Waters, and Lightnin Hopkins--point up the undying strength and vitality of the country blues. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
