Black Sparrow. 1 Paperback(s), 2004. soft. Book Condition: New. The Vietnam War and the civil rights movement form the backdrop of Edward Sanders's informative and innovative vignettes on American history. LBJ and Nixon are the villains here, while America's pop culture can be viewed as the central character. Founder and guiding spirit of the satirical folk-rock band the Fugs, Sanders is America's bard, a cheerful poet-prophet. This book is part of Sanders's ongoing, free-wheeling, free-verse chronicles, which are a personal and public epic in the tradition of Leaves of Grass and the works of the Beat Generation. 388.
