LANDSCAPING WITH FRUIT

To download **Landscaping with Fruit** PDF, remember to access the link listed below and download the ebook or gain access to other information which are have conjunction with LANDSCAPING WITH FRUIT ebook.

Storey Publishing LLC. Paperback. Book Condition: new. BRAND NEW, Landscaping with Fruit, Lee Reich, Fruit trees, shrubs, and vines are true two-for-one plants. Many varieties are strikingly beautiful - well suited to doing double duty as delicious sources of sweet, organic fruit and as ornamental additions to the home landscape. Home grown fruit plants also tie in perfectly with the growing locavore movement. It's difficult to find food that's more local than one's own garden. 'Luscious landscaping,' as author Lee Reich calls it, takes fruit-bearing plants off the commercial farm and replants the prettiest and tastiest specimens in suburban and rural yards. Spring blossoms, summer and fall fruit, and the year-round presence of the plants themselves bring a special magic to the home landscape. Pillowy pink blossoms on peach branches or the bright orange fruit of persimmon trees perk up their surroundings with color and drama. Beautiful plants, yes, but these landscaping additions also provide sweet, nutritious fruit. Homegrown, organic varieties bear almost no resemblance to commercially produced fruits, which are bred and selected to withstand shipping and refrigerated storage conditions. It's hard to believe that Alpine strawberries and those grown in California and shipped across the country are even related!.
