BANKING ON THE BODY: THE MARKET IN BLOOD, MILK, AND SPERM IN MODERN AMERICA.

Harvard University Press, Cambridge, Massachusetts and London England, 2014. Hardcover. Book Condition: New. 352 pages. Hardcover with dustjacket. New book. MEDICINE. Scientific advances and economic forces have converged to create something unthinkable for much of human history: a robust market in human body products. Every year, countless Americans supply blood, sperm, and breast milk to "banks" that store these products for later use by strangers in routine medical procedures. These exchanges entail complicated questions. Which body products are donated and...
