Reviews

A whole new eBook with a new point of view. It can be rally fascinating throgh studying period of time. I am delighted to explain how this is actually the finest book i have read through during my very own life and could be he best publication for at any time.

(Scarlett Stracke)

DOUBLING BACK: TEN PATHS TRODDEN IN MEMORY

Freight Books. Paperback. Book Condition: new. BRAND NEW, Doubling Back: Ten Paths Trodden in Memory, Linda Cracknell, Doubling Back is a fascinating and moving account of walking in the footsteps of others. In 1952 Linda Cracknell's father embarked on a hike through the Swiss Alps. Fifty years later Linda retraces that fateful journey, following the trail of the man she barely knew. This collection of walking tales takes its theme from that pilgrimage. The walks trace the contours of history, following writers, relations and rereading ways across mountains, valleys and coasts formerly trodden by drovers, saints and adventurers. Each walk is about the reaffirming of memories, beliefs and emotions, and especially of the connection that one can have with the past through particular places. This book celebrates life, family, friendship and walking through landscapes richly textured with stories. Doubling Back is a masterwork of travel writing in the vein of Robert Macfarlane and Roger Deakin, lyrical, poignant, and with stunning descriptions of the landscapes Linda Cracknell leads us through.
