Random House USA Inc, United States, 2011. Paperback. Book Condition: New. Reprint. 175 x 104 mm. Language: English . Brand New Book. Acclaimed novelist Luanne Rice touches the deepest, most tender corners of the heart (Tami Hoag, author of *A Thin Dark Line*). Her stories remind us how precious and fragile life can be and that we must risk our hearts every day to know happiness. *Follow the Stars Home* is just such a novel: a story of poignancy and heartbreak, grace and courage. Being a good mother is never simple: each day brings new choices and challenges. For Dianne Robbins, being a devoted single mother has resulted in her greatest joy and her darkest hours. Weeks before her daughter was born, she and her husband, Tim McIntosh, received the news every parent fears. But one of the many hard choices Dianne has made is to close her heart toward any man especially one named McIntosh. It will take a very special twelve-year-old to remind them all that love comes in many forms and can be received with as much grace as it is given. As lyrical and moving as the poetry of nature, *Follow the Stars Home* is a miracle of storytelling that will take your breath away. If words alone can dare us to confront our fears and to choose joy over sorrow, then Luanne Rice's magnificent novel is a benediction and a call to...
