

Handbook for Excelling at Hockey and Living Smart (Paperback)

Filesize: 2.54 MB

Reviews

This ebook might be worth a read, and superior to other. It is probably the most amazing publication we have read. Your lifestyle period will likely be transform once you total looking over this publication.

(Alana McCullough)

HANDBOOK FOR EXCELLING AT HOCKEY AND LIVING SMART (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The author has made a study of what goes into achieving excellence in hockey. Not surprising many of the principles that succeed in hockey carry over to life, in general. This explains the book's title. Reasons for one player excelling while another playing mediocre present themselves naturally in the context of investigation the most entertaining and technique-intensive sport in the world. This book is valuable reading for converting an ordinary hockey player into one who excels. It is not written for a beginner struggling to learn how to skate. We assume the player has achieved some degree of proficiency in playing the game but wishes to raise his level of play to excellence. The tips in the book will open the door to that goal. Non-hockey playing readers will marvel at the subtleties of hockey and profit from understanding the techniques discussed. In addition, they will acquire a deeper enjoyment as a hockey spectator while learning valuable principles for a more productive life. Little league hockey coaches should commit this handbook to memory and use it to develop excellence in coaching and playing the game.
