Not illustrated. 1890 Excerpt: .a sailor s hammock, converting them into a snug bed for himself; nor would he give them up without a struggle for the right of property. He was active to an amazing degree, and his strength was very great; for, young as he was, it required more than the power of one man to force asunder his grasp: his energies, however, were ioo Death of the Poor Orang. only exerted in play. There was but one person on board to whom he betrayed any antipathy: that was the butcher, for whom he entertained extreme terror, perhaps from having frequently seen him kill the animals for provision. He would approach that man with timid caution, minutely examine his hands, finger by finger, and then endeavour to gain some friendly notice; but on the least suspicious movement, or the sight of the knife, he would fly for refuge...
