Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.The moving coming-of-age story of modern-day psychic medium Cheryl E. Booth. Still in contact with the spirit of her severely disabled brother, Booth s anecdotes and case studies show that what we see here on Earth is not all that we get! Cheryl still offers private readings and consultations worldwide by phone. She has an hour long one-woman show titled Medium, Rare that helps demystify the world of mediumship with humor and insight, including touching personal stories from her own life that many audience members have reported strike a major chord with them. The show includes two original songs. You can watch videos from Medium, Rare on YouTube by doing a search of Cheryl s name (several other interviews and videos will pop up, too). Medium, Rare also empowers all who see it to add valuable tools to mastery of their own spiritual growth and overall well-being, including how to trust their own intuition, learning how to balance their right left brain, creating an Instant Meditation Minute, zapping stress and much more. If you re interested in opening your own intuitive/psychic skills, whether to enhance your daily life or to eventually do professional readings, Cheryl also offers a Mentoring Program that will jump start your development. Visit and click on the Mentoring tab for full details. If you are someone who has ever been fortunate enough to have been blessed by having a relative or close friend who was/is an Earth Angel with special needs, this story is sure to touch your heart and help you celebrate that loved one s contribution to your life, and that of all those around him/her. Cheryl wishes you many blessings...
