Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, The Magus of Java: Teachings of an Authentic Taoist Immortal, Kosta Danaos, In 1988 the documentary Ring of Fire was released to great acclaim. The most startling sequence in the film is that of a Chinese-Javanese acupuncturist who demonstrates his full mastery of the phenomenon of chi, or bio-energy, by generating an electrical current within his body, which he uses first to heal the filmmaker of an eye infection and then to set a newspaper on fire with his hand. Ring of Fire caused thousands to seek out this individual, John Chang, in pursuit of instruction. Of the many Westerners who have approached him, John Chang has accepted five as apprentices. Kosta Danaos is the second of those five. In his years of study with John Chang, Danaos has witnessed and experienced pyrokinesis, telekinesis, levitation, telepathy, and much more exotic phenomena. He has spoken with spirits and learned the secrets of reincarnation. Most important, he has learned John Chang's story. John Chang is the direct heir to the lineage of the sixth-century b.c. sage Mo-Tzu, who was Confucius's greatest rival. His discipline, called the Mo-Pai, is little-known in the West and has never before been the subject of a book. Now, John Chang has decided to bridge the gap between East and West by allowing a book to be published revealing the story of his life, his teachings, and his powers. It will surely expedite what may well become the greatest revolution of the twenty-first century--the verification and study of bio-energy.
